MAKE-UP TUTORIAL

I didn't even finish my cereal,
I went to do a make-up tutorial.
I pick something nice to wear
and of-course brush my hair.
With lovely pink gloss on my lips,
I put on some movie clips.
But when I turn on my camera
I find out I forgot my mascara.

I run to the bathroom very quick
but I don't know which to pick.
When I come back to the room,
I hear a sound like „Boom”.
My phone fell of the shelf.
I can't do a make-up tutorial
I'll go finish my cereal.

ATLANTIC EYES

In his eyes,
I see the whole sky.
Dear shy, I see the signs.
Sign like what?
I try to Find.
Maybe he likes?
Shoud I ask?

I want to be free,
Swimming in clean sea.
Are you shy?
Or your eyes just lie?
I am scared to find.
So I am waiting next to tree
Breathe with key in Atlantic sea.

SNACKING DAYS

Snacking days are fun
for chewing a gum.
The snacking days are here
let's get a pear.
Make sure no one is near
so we can eat our pear.
Watch out someone is here
he may steal our pear.
Oh, it's my friend!
He has a bread.

Oliver Krinický, VI.A

HIS POINT OF VIEW

How can you be so pretty?
And man! This couldn't be more shitty.
I can't even sleep,
when I'm in Love so deep.
Mary is such a beautiful girl,
but she would use me like her tool.
Her eyes shine like the stars in the sky.
Her beautiful blue eyes,
that are so deep like the ocean itself.
And when I'm with her
I can no longer control myself.

Her beautiful sweet voice,
that doesn't make a noise.
Her beautiful brown curls,
that she twirls,
when she sits in the classroom at the table,
and to pay attention she's not able.
Mary is the girl that I want to kiss
but I'm sad that she is already his.

LOVE

It's a blessing from the God,
a missing part of your heart.
When it's the worst you can't bear it.
If you're not grateful you can't have it.
It's a blessing to your soul.
The thing that you need the most in the world.
It's tough to go through it,
but in the end it's all worth it.
It feels like a curse to your mind,
you can't just ignore your heart.
Very hard to find the person,
that you can care in your hands.

Veronika Želinská, VIII.A

TRUTH

Every single time.
Just a pretty good lie?
We are stuck together.
In this wierd boring classroom.

Using our heads.
Sometimes even our madness.
Crying over hard homework.
Parents often do the work.

Amy Mainušová, VIII.B

EGGS

Two small white eggs,
fell into the bags.

Travelled to a house,
where lived a mouse.

It was very angry,
but also very hungry.

It turned the eggs,
into tasty ham and eggs.

Laura Huttyrová, VI.A

TIME OF NOWADAYS

Time is fast and slow
look out of the window,
there is no snow.

Spring is finally coming,
alergics are tiring,
flowers are growing.

Weather is fine out here,
the sky is completely clear,
something pretty is near.

DUOLINGO

I need to learn Spanish
Or else I'll vanish.
If I don't learn French
I'll be sent to the trench.
I better learn Japanese
Or I'll lose my knees.
Thankfully I know Czech
So I don't have to lose my neck.

Michal Chrena, VII.C

MY MORNING

I get up in the morning
and I see my mom was cooking.
My mom cooking my breakfast
and I eat that fast.

Then I go to school
and my outfit is cool.
After school I go by bus
and I see my class.

Viktória Vasiľov, VI.B

COOK

I love to cook
but I do a big mess
I don't like to clean it
at Christmas.
I cook some salmon
some potato salad
I must do some custard
but I don't have any mustard.
I must buy some
but I don't know where
the shops are closed and
my smile going to dead.

Zoltán Kertész, VI.A

STUDYING IS PAIN

If I don't do lesson of Spanish
my mom will make me vanish.
Everybody makes me study too much
that I can't complete my lunch.

They see me like a teacher with a book
I am trying to find a job, I will still take a look.
I want to be rapper with a big chain,
But my head really hurts,
learning is pain.

Tomáš Kolesár, VII.C

SLEEPING

I like my bed

I like to sleep,

I like to do it

Just don't eat.

Sleep all day

Sleep all night,

Don't have lunch

And also brunch.

Dominika Korbová, VI.A

LAZY DAY

I love lazy days,
I do nothing in these days.
Except one thing,
I like to watch sweet romantic.
I don't have time to eat,
Beacuse I like to read.
And then I go to sleep,
What a gorgeous day was it.

Soňa Staneková, VIII.A

LASS MICH ETWAS FÜR DICH ZEICHNEN

Lass mich etwas für dich zeichnen
Über die ganze Leinwand
Während ich mir Farbe und Pinsel nehme
Sie warten einfach und entspannen sich

Ich fange mit einem Kreis an
Dan ein Augenpaar
Ich werde eine Nase hinzufügen
Dann einige Ohren und Lippen
Füge ich weitere Details hinzu

Sieh mal! Es ist ein Gemälde von dir 

Katarína Pirošková, IX.B

MEINE LIEBE

Im Sommer in einem kleinen Dorf
Auf einer langen Wiese zwischen Blumen
wo veilchen für uns blühen
Ich bin auf ihn gestossen

Seine Augen grau wie Wolken
Sie gingen mir innerhalb einer Sekunde unter Hauf
Mein graves Kraut
Obwohl ich dich nur kurz gesehen habe
Du wirst mir noch eine Viele in den Sinn kommen

Martina Šul'ová, IX.C

NATUR

Die nahe und zugleich ferne Welt
Bekannt oder unbekannt
Zart wie eine Frühlingsblume
Ausgeglichen durch Gleichgewicht

Ein zufriedenes Leben bietet uns
Und schmückt unser Land
Es ist überall um uns herum
Wenn du es nicht siehst, weißt du es nicht

Ester Kniežová, IX.B
